PIN - 700105

SKILLS

- **C, C++, PYTHON**
- **HTML5, CSS3, JavaScript**
- **React js, React native**
- **Machine Learning-**
  PyTorch, Scikit-learn,Keras, OpenCV, TensorFlow, yoyloV7
- **Adobe Illustrator**

EDUCATION

SECONDARY SCHOOL

CONTAI MODEL INSTITUTION

2019 - 2021

B.TECH IN INFORMATION TECHNOLOGY

JADAVPUR UNIVERSITY

2021 - 2025

PROFILE

Undergraduate student pursuing a Bachelor of Technology in Information Technology at Jadavpur University. Most Proficient in C++ and Python, HTML, CSS, and React. Passionate about machine learning, deep learning, and reinforcement learning. Eager to apply knowledge and skills to contribute to the field of technology.

ACHIEVEMENTS

AMAZON ML CHALLANGE 2023

- Built an ML model to predict product length given other parameters such as Title, Description, etc.

HACKTOBER FEST 2022

- 4+ of my pull requests were merged sucessfully

PROJECT

SNAKEGAME_AI

- Implemented reinforcement learning model in the traditional Snake game.
